The Advent windows

*From December 1st to 24th, 24 windows will be decorated by you, if the number of registrations is sufficient, with **Advent and Christmas-themed** designs. Each day, a new window will be revealed, and the community's residents will be able to admire it.*

WE ARE LOOKING FOR:

24 individuals or families from the municipality of Koerich who would like to decorate a window of their home.

A FEW EXPLANATIONS:

Each window will be assigned a number from 1 to 24.

For example, the window with the number 6 should be revealed on December 6th. The windows and their numbers must be clearly visible from the street.

There will be two options:

FIXED WINDOWS:

You decorate a window, and the residents of the community who pass by can admire it.

WINDOW EVENT:

Decorate a window and offer a small activity (for example, reading an Advent story) and/or provide something for visitors (for example, mulled wine or cookies).

The Advent windows must be visible every day between 6:00 PM and 8:00 PM.

A list with the dates, times, and addresses of the participants will be published during the month of November 2024.

Those who wish to decorate an Advent window can register until November 11, 2024, either by email: communication@koerich.lu, or by phone: 288 355 221.
